ATTITUDE STONES

Thank you to all of our associates for completing their attitude stones from our January Newsletter. Some stand out words were; **Perseverance, Be the change, Life is a journey not a race, and Try.** Your stones were all very creative, and really liven up our office. It was so hard to pick just one winner, so we have decided to recognize all of our associates for your **job well done** with this activity.

EMPLOYEE OF THE MONTH

Brooke Little is our **Brand Specialist**. Seleen Saaid, our CEO has described her as a **hard working** individual, who takes great lengths to get the job done. She also worked very hard in the **Marketing Plan Competition**, earning **second** place! This is Brooke's first year at the company, and we are so happy that she is one of our employees. Thank you Brooke for your hard work and **dedication** to the program.

WORKPLACE FACT

Tuesday is the most productive day of the week, while most sick days are called in on Mondays.

FEBRUARY RECIPE:

Pink Lemonade Ice Cream

This sweet treat is perfect for almost anything, family get together, a cute gift, a Valentines party, you name it! **Don't forget this is a great opportunity to earn bonus points. Just send us a picture of your pink lemonade !**

In a medium bowl, whisk together all of the ingredients until smooth. Cover and refrigerate for at least one hour, or as long as overnight. Turn the ice cream maker on and add the milk/cream mixture to the bowl. Mix for 15-20 minutes (according to manufacturer's instructions) or until ice cream reaches a soft serve consistency. Transfer ice cream to an airtight container and freeze for at least 2 hours, or until firm.

- 1 cup whole milk
- 3/4 cup granulated sugar
- 2 cups heavy cream
- 1 teaspoon vanilla Pinch of salt
- 1/3 cup pink lemonade concentrate, thawed
- Zest of one lemon
- A few drops of pink or red food coloring (optional)

FEBRUARY CRAFT: Mason Jar Tissue Holders

A need for a tissue is more likely during this winter weather. This is a cute craft for your house, work place, a gift, and much more. Just follow these easy steps:

Remove the lid from your jar and paint the entire thing with a few coats of craft paint. Allow to dry completely between coats. You can either print a saying or paint it directly on the mason jar. Remove the Kleenex tissues from the upright container and place in your jar. Pull up on your first tissue and your mason jar tissue holder is ready to place anywhere around your home.

SAFETY TIP:

If you feel you are being followed, turn and ask the person the time... a group of rapists interviewed, stated, that a target becomes far less attractive if they have seen their face prior to the attack.

Thank you Jason Morse, Digital Media associate, for submitting this month's safety tip!
